The Kansas State Historical Society solicits diaries, letters, and other original records, books and pamphlets written by Kansans or about Kansas, territorial and state newspapers up to 1876, photographs, and maps and atlases of the state. The Society will also be glad to consider objects suitable for the museum, especially those having a direct connection with Kansas history.

Gifts and bequests for the furtherance of the Society's work will be gratefully received. Such remembrances, in various forms, are appropriate permanent memorials to the interests of an individual or a group. A representative of the Society will be glad to consult with anyone wishing to make a gift or to establish a bequest or endowment. Address the Executive Director, KANSAS STATE HISTORICAL SOCIETY, 120 W. Tenth St., Topeka, Kan. 66612.

THE COVER

Photograph of Half Mound hill and vicinity by Milton Reichart, Valley Falls. Half Mound is near the Delaware river on a line from Doniphan to Rossville. Etienne Veniard de Bourgmont's expedition to central Kansas in 1724 is believed to have crossed the Delaware near this point. See Reichart's study of Bourgmont's route beginning on page 96.
