The Kansas Historical Quarterly is published in February, May, August and November by the Kansas State Historical Society, Topeka, Kan., and is distributed free to members. Correspondence concerning contributions may be sent to the editor. The Society assumes no responsibility for statements made by contributors.

Entered as second-class matter October 22, 1931, at the post office at Topeka, Kan., under the act of August 24, 1912.

THE COVER

This sketch appeared in *Frank Leslie's Illustrated Newspaper* (June 3, 1871, p. 193) under the title "The Far West.—Shooting Buffalo on the Line of the Kansas Pacific Railroad." Dr. Robert Taft, who furnished the photograph here reproduced, believes the original probably was drawn by Henry Worrall, the Topeka artist, and represents a scene along the present Union Pacific railroad in western Kansas.
